

Dual Certified Gear

Ergonomic gear that meets NFPA 1977/1951
Wildland/Urban Search and Rescue (Utility)

WILDLAND EXTRICATION USAR

Dual Certified Gear from Lakeland Fire is designed for all of those situations where full turnout gear isn't needed. Whether its Wild Fires, Search and Rescue, Vehicle Extrication, Overhauling or whatever task the day's shift might throw at you, Lakeland's new Dual Certified Gear offers the protection and performance these tasks require. Available in coat and pant, or coveralls, all made with Tencate Defender M Gold shell fabric, these styles are all ergonomically designed and full of features to provide outstanding function and comfort.

To keep you seen and safe, Lakeland is incorporating 3M® Segmented Reflective Triple Trim, along with our Exclusive LazerMax Reflective Piping, to provide you with the utmost in visibility, day or night. The design and features of Lakeland's new Dual Certified Gear will keep you focused on the job at hand, not worried about the fit and performance of your gear, all while saving your turnout gear for when its truly needed
